

How Far I'll Go - From the movie Moana

F **Gm**
I've been staring at the edge of the water
Dm **Bb**
'Long as I can re-member, never really knowing why
F **Gm**
I wish I could be the perfect daughter
Dm **Bb**
But I come back to the water, no matter how hard I try
Dm
Every turn I take, every trail I track
C
Every path I make, every road leads back
F **Bbm**
To the place I know, where I can not go, where I long to be

F **C**
See the line where the sky meets the sea? It calls me
Dm **Bb**
And no one knows, how far it goes
F **C**
If the wind in my sail on the sea stays be-hind me
Dm **Bb** **F** **C** **Dm** **Bb**
One day I'll know, if I go there's just no telling how far I'll go

F **Gm** **Dm**
I know everybody on this island, seems so happy on this island
Bb
Everything is by design
F **Gm** **Dm**
I know everybody on this island has a role on this island
Bb **Dm**
So maybe I can roll with mine I can lead with pride, I can make us strong
C **F**
I'll be satisfied if I play along But the voice inside sings a different song
Bbm
What is wrong with me?

F **C**
See the light as it shines on the sea? It's blinding
Dm **Bb**
But no one knows, how deep it goes
F **C**
And it seems like it's calling out to me, so come find me
Dm **Bb**
And let me know, what's beyond that line, will I cross that line?
